

Praying for a Relationship

Having a relationship with Jesus typically starts with admitting you need Him in your life. That you love Him and believe that He came to save you from death and from the pain of this world.

If you need help, follow this guideline to commit or recommit your life to Jesus:

"Father, I realize that I need you now more than ever. I can't do life on my own, in my own power. I want to experience Your presence with me everyday for the rest of my life. Please Lord forgive me of my sins and any wrongs I've committed towards you. Help me to love you as you love me. Help me to do the things you've called me to do and be. Help me to believe in the truths of your Word (the Bible) and study it so I can understand You more. Thank you for accepting me and loving me just as I am."

You now will experience the fullness of a relationship with Jesus as long as you follow Him!
